Grand Ledge, Michigan

CATERERS' DIRECTORY

Statement of Contracted Caterers

The Grand Ledge Opera House Authority provides this DIRECTORY OF CATERERS as a courtesy for those who are planning an event at the Opera House. The following caterers have catered events at the Opera House in the past and have been instructed by Opera House management the rules and regulations.

If you prefer to engage caterers not under contract with the Opera House, then those caterers must meet our qualifications and notification must be given to the Opera House no less than 90 days prior to event date. We strive to have caterers at the Opera House that provide a high quality of performance.

Caterers shown on this directory have provided the Grand Ledge Opera House Authority with both Proof of Liability Insurance and State of Michigan License issued by the Michigan Department of Agriculture. These caterers are aware of the required 15% fee policy. Caterers are required to have a Catering Contract with the Opera House and agree to abide by the Eaton County Health Department regulations as they apply to the facility. The Opera House provides two warming kitchens. Only precooked and prepared foods are allowed to be served here.

We want to thank you for using the Grand Ledge Opera House for your event. We take pride in the quality of service provided in this unique and historic facility.
